Ask a Transracial Adoptive Parent

Tuesday, July 10, 6:30-8:00

Join us as we explore the many complicated facets of raising children of other races. Your questions and more will be answered by our panel of five women who are all mothers of children of other races. We'll discuss the questions they receive, help dispel misinformation about adoption, and talk about how racism affects their families.

This program is presented in partnership with the Ramsey County Library with funding provided by the Friends of the Ramsey County Library. Each of the Ask programs is filmed by CTV North Suburbs and are available on our website within 3 week of the program.

Due to the success of the first Skills Workshop on May 10, we will be repeating it this month. Please join us at the Better Angels Skills Workshop where you will learn skills for having respectful conversations that clarify differences, search for common ground, and affirm the importance of the relationship. You will have an opportunity to practice conversation skills in pairs with someone of your same political persuasion. The workshop presenter is Bill Doherty, a founder of Better Angels and a University of Minnesota Professor.

Anyone interested in having better conversations with people on the other side of the political aisle is welcome! This workshop does not require an equal number of Reds and Blues but for planning purposes we would like to know who is attending. For that reason, we ask that you do register by going to DoGoodRoseville.com/Register.
